Transportation

One-way transportation will be provided by the Santa Clara Unified School District with pick-up from Buchser Middle School. Parents/Guardians **MUST** pick-up their child at the Teen Center. Note: the program ends at 5:30 pm. Breakaway Wednesday participants are welcomed to stay till 7:00 pm.

Middle School Enrichment

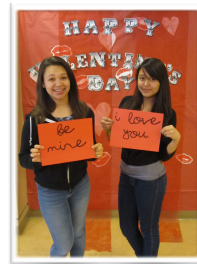

"Breakaway Wednesdays" is a new school-year program for 6th-8th graders, that focuses on building leadership, service, and life skills, as well as friendship and peer support. We combine art, technology, and outdoor activities to inspire critical thinking skills, creativity, and self-confidence that will translate into other areas of your teen's life.

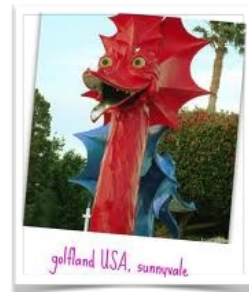

"Breakaway Wednesdays" will include daily healthy snacks, quiet homework time, guest speakers, and a monthly field trip.

Each four week session will introduce a new topic or continue a prior session's topic.

Participants are welcome to join any session.
